

UBC 2024 Global Masters Postgraduate Challenge

Timetable & Format:

The next edition of the UBC Global Masters Postgraduate Challenge starts on 24 January 2024 and has a 2-round format.

Round 1 is run online via the UBC portal on the Learning Dynamics / The Simulation Space platform. Teams upload their decisions and results are released as per the published timetable. The top teams from Round 1 go through to the Grand Final designed as a live in person event at a UK venue.

Key dates:

Entries open: April 2023

Entries close: 25 January 2024

Confirmation of entries:

All entries will be confirmed progressively by email up to the closing date.

Round 1 - Online: Late-January to mid-March 2024

Logins & Resources:

Educators, Team Leaders and Team Members, including nominated team Mentors, will have access to the UBC simulation platform used in Round 1 via logins which will be provided to registered universities. All resources are made available online and can be downloaded from the simulation platform. The Team Brief and Participant Guide contains all the information necessary to take part in the UBC Global Masters.

Upload your Team Leader email addresses:

When you know your Team Leaders, you can upload their **name/s and email address/es** by logging into the UBC portal and selecting Manage Teams. The UBC simulation portal will automatically email Team Leaders their logins when you have submitted their details.

If you want your teams to participate in the optional Trial Trading Period (TTP), you should upload your Team Leader details prior to the TTP commencement (please see detailed timetable below).

When **Team Leaders** have their logins, they input their Team Member details. The simulation platform emails Team Members their logins, so all team members have access to the simulation platform.
